2/24/2026

It is with appreciation and gratitude that I write to offer thanks on behalf of the Londonderry Volunteer Rescue Squad (LVRS) for your most generous contribution of: **\$4,750.00**

We rely solely on the support of our community and the occasional grant to sustain our efforts. We have a fantastic network of volunteers, but without your generous support we would not be able to provide the services that our friends and neighbors deserve.

LVRS responded to more than 700 calls last year, the vast majority of which required our medical and/or rescue services and transportation. Each year we strive to offer a higher and more professional level of service to the community. We continue to operate two transporting ambulances and a heavy duty rescue vehicle to support back-country rescue, high- and low-angle rescue, swift and cold-water rescue, and vehicle extrication.

Thank you again for your generous support.

Sincerely,

Peter Pagnucco
Treasurer

Bromley Village Association
Attn: Sandy Pangburn
20 Bridget Circle
Cohoes, NY 12047

Dear Sandy and Residents of Bromley Village Association,

Thank you so much for your very generous gift of **\$4,750.00 made on 2/18/2026. Your gift will be directed to Moundatin Valley Health Center.** This donation is an inspiration for our staff, board, and patients.

Every day, we see people in this community come together in ways big and small: providers staying late to help a patient in crisis, neighbors driving one another to appointments, staff checking in on patients who they know are struggling. Your support is another remarkable way of showing up for our community, and we are proud to be a part of place where people take such good care of one another.

Today, your gift reminds us that when the world feels unpredictable and national headlines aim to divide us, community support is what keeps us steady.

Through it all, North Star remains a place of hope and connection because of donors like you. Your support today ensures that we can continue to provide care for everyone who turns to us, no matter their circumstances. Together, we can help everyone enjoy health and wellness.

With much appreciation,

Joshua R. Dufresne, MBA
Chief Executive Officer

We are so grateful to have your community's support of this vital resource.

Jessica L. Everlith
